

Tasha Hisaw, Perry Memorial Hospital's Radiology Manager

Perry Memorial Hospital is please to announce that Tasha Hisaw has been recruited to serve as their new Radiology Manager. Tasha graduated from the University of Oklahoma Health Sciences Center with a bachelor's degree in radiography and in nuclear medicine. Tasha is currently attending Midwestern State University working toward a Masters in Science in Radiologic Sciences Administration.

The job of Radiology Manager involves many parts but the main area of focus is overseeing the radiology department to ensure and provide a high quality of professional care and service to hospital customers.

Tasha moved here from Ada, OK, where she had lived most of her life. She has one younger brother Derek and a three-year-old nephew Jakob. Her mom and dad are foster parents and currently have 9-year-old twin boys, Trent and Travis, who they are in the process of adopting. Tasha enjoys going to the lake, playing sports, running and playing with her two teacup poodles Mitze and Patches. Her boyfriend, Kerry services in the Air Force.

Joe Duerr, PMH Administrator said, " I am very pleased that Tasha chose to accept our offer of employment, she will surely be a benefit to Perry Memorial Hospital. We are pleased to have her as part of our hospital family."
